

MATTA PURNA RAJEENA

Doctor of Pharmacy (PharmD) Graduate

rejeena2002@gmail.com | +91 7702089637 | github.com/purnamatta

East Godavari, Andhra Pradesh

PROFESSIONAL SUMMARY

PharmD graduate with clinical research and hospital internship experience, with practical knowledge of ICH-GCP, clinical trial documentation, TMF concepts, and research documentation. Seeking an entry-level opportunity in Clinical Research, TMF, or Clinical Operations.

ACADEMIC CREDENTIALS

Class 10th (2016 – 2017) – **9.8 GPA** studied in Bhashyam Public School, Amalapuram.

Intermediate BiPC (2018-2019) – **9.72 GPA** studied in Sri Chaitanya Junior College, Amalapuram.

Doctor of Pharmacy (2020 – 2026) – **76.11%** studied in Aditya College of Pharmacy, Surampalem.

CLINICAL INTERNSHIP

Completed by 12month Internship in GSL MEDICAL COLLEGE AND GENERAL HOSPITAL, Rajahmundry (2025 – 2026). During my internship period, I directly reviewed patient medication charts across multiple specialities and identified potential drug interactions and medication – related problems.

- Assessed laboratory investigations and treatment outcomes to evaluate therapy effectiveness and patient progress and also participated in patient counselling regarding disease conditions, medication usage and lifestyle modifications.
- Helped the hospital management with documentation and inspections during **NABH** accreditation audits in the chapter **MOM (Management of Medication)**

Clinical Departments	Posting Duration
Gynaecology	2 months
General Surgery	2 months
Paediatrics	2 months
General Medicine	6 months
